

Bahamas Battery Inspection Vehicle

Who is the Bahamas battery and tyre specialist?

Bahamas Battery & Tyre Specialist, Ltd. is a family owned and operated business that has been offering top brands of batteries and tires replacements to clients in Nassau and the Family Islands for over 20 years. Our expert tire & battery technicians can help you make important auto care decisions based on your specific driving needs.

What documents do I need to register a car in Bahama?

To register a car in The Bahamas, you will need to present the following documents: Proof of Age Document (Passport, Birth Certificate or Voter's Card) and a Valid Bahamian Driver's Licence. Upon payment of the required fees by the owner, the Cashier will issue the Vehicle License Disc, a Title Certificate, and new motor vehicle licence plates.

Who can apply for a motor vehicle license in Bahama?

Applicants must be Bahamian citizens or legal residents, 18 years old or older, and applying for themselves. The Road Traffic Department conducts vehicle inspections and facilitates the annual renewal of motor vehicle licences that have expired or are approaching expiration.

How do I report a motor vehicle in New Providence?

To report a motor vehicle for registration and inspection in New Providence or the Family islands, present it to your nearest Road Traffic Department location. If you are in Bimini/Cat Cay, Harbor Island, or Spanish Wells, the Administrator's office will act on behalf of RTD. Provide the Inspector at the location with all of your supporting documents.

What documents do I need for a Bahamian driver's license?

To obtain a Bahamian driver's license, you will need a Proof of Age Document (Passport, Birth Certificate or Voter's Card) and a Valid Bahamian Driver's License. For more information, you may contact the Road Traffic Department at the address below.

What services do you offer to maintain a car battery?

We offer various services to keep your car battery properly maintained. Like charging, terminals & cable repairs and diagnostics services. Your car battery may be small, but the power it provides is huge and because it is such an important part of your vehicle, we take care of it.

Come in today and have our expert technicians inspect your vehicle's tires, fluid levels, battery, lights, wipers, belts, hoses, suspension, brakes and more. We sell a wide selection of batteries from automotive, heavy equipment, marine, motor cross and other (UPS) batteries.
