

# Battery replacement in Taipei

How much does it cost to replace iPhone batteries in Taipei?

This will be approximately a 30% jump over the current NT\$2,050 charge for replacing batteries on models ranging from iPhoneX to iPhone13. A Genius Bar attendant said news of the price hike is causing big crowds to book the service online with most reservations throughout the Taipei area fully booked for the upcoming week (Jan 9-13).

Where can I repair a Samsung laptop in Taiwan?

I haven't done that for Samsung products, but I have for Lenovo and HP products, and the American support contacts directed me to corresponding repair locations for their products in Taiwan. You need to go to the 6th floor at Guanhua That's where the repair shops are. Guanhua over near Zhongxiao xinseng is a paradise for computers and phones.

How much does it cost to replace an iPhone battery?

An Apple Authorized Service Provider can replace the battery to restore full performance and capacity." In 2018, Apple lowered the price of battery replacement from around NT\$2,000 to NT\$1,000 to account for charges that it intentionally slowed the performance of older iPhones to prevent sudden battery shutdowns.

Will iPhone battery replacement cost NT\$800?

The line was longer than normal ahead of a March 1st price hike announced for iPhone battery replacements. According to a Yahoo report, an NT\$800 increase is expected. This will be approximately a 30% jump over the current NT\$2,050 charge for replacing batteries on models ranging from iPhoneX to iPhone13.

How do I book a battery replacement appointment?

Battery replacement service appointments can be accessed through the Apple website, or, according to this particular attendant, through the Apple Care app, which can be downloaded on your phone. "It's much quicker and easier to use the app, and you can book by just typing in your phone number," said the attendant.
