

Chicago Capacitor Co Ltd

What is CDE / Illinois capacitor?

CDE /Illinois Capacitor is a leading manufacturer of miniature capacitors for electronics,lighting,energy and other markets. These products include: aluminum electrolytic,metalized film,power film,super capacitors (ultra capacitors) and other types.

Who makes Chicago Condenser capacitors?

We provide custom designs,custom sizes,and customer-specified marking and packaging. Chicago Condenser Corporation was founded in 1945 and was acquired by Capacitor Industries in 1993. Chicago Condenser Corporation manufactures a wide range of high voltage capacitors from 100 volts to 100,000 volts for DC,AC,and pulse discharge applications.

Who is capacitor industries?

Capacitor Industries is comprised of 3 marketing divisions; Motor Capacitors,Inc.,Chicago Condenser Corporation,and SEI Capacitors,Inc. Through the synergy of three companies,we have found efficiency and flexibility which have fueled our dynamic growth since 1990.

Who is motor capacitors?

Motor Capacitors,Inc. was founded in 1990 to service the capacitor requirements of the Electric Motor Industry. We offer our customers access to specialty and standard capacitor products. UL,CSA,VDE,TUV,and other agency approvals are available.

What is a film capacitor?

Film capacitors use polymer films having a thin,aluminium metalization layer. This construction is very durable and stable,with excellent electrical characteristics. CDE /Illinois Capacitor is a leading manufacturer of miniature capacitors for electronics,lighting,energy and other markets.

Who manufactures metalized film capacitors?

SEI Capacitors,Inc.manufactures metalized film capacitors for critical applications. Applications include Aerospace and Avionics,Instrumentation,Industrial and Manufacturing Equipment,and Power Conditioning Systems. Our Aluminum Electrolytic products include:

It was announced today that Illinois Capacitor Inc., and its affiliates have been acquired by Cornell Dubilier Marketing, Inc. This acquisition brings together two of the leading ...

Illinois Capacitor is a manufacturer of miniature capacitors for electronics, lighting, energy, and other markets. It offers aluminum electrolytic, metalized film, power film, supercapacitors, supercapacitor modules, and other types of capacitors.

Chicago Capacitor Co Ltd

Capacitor Co Ltd is a leading manufacturer of capacitors, supplying high-quality products to a range of industries. Founded in 1990, the company has grown to become one of the most ...

Weiqing capacitor manufacturer specializes in the research and development, production of thin film capacitors, safety capacitors, and resonant capacitors. Home. About Us. Company Profile . Leader's Message. Production base. Enterprise style. Certificate Qualification. Service Support. Products. Safety regulations. Polypropylene (CBB) Polyester (CL) MKP. Gallium Nitride Fast ...

In February 2015, Cornell Dubilier acquired Illinois Capacitor, bringing together two of the leading manufacturers of capacitors in the electronics market. Adding Illinois Capacitor to the TTI line ...

In February 2015, Cornell Dubilier acquired Illinois Capacitor, bringing together two of the leading manufacturers of capacitors in the electronics market. Adding Illinois Capacitor to the TTI line card of premier suppliers provides an even larger array of board level capacitor choices for TTI customers. These capacitors are great options

CDE / Illinois Capacitor is a leading manufacturer of miniature capacitors for electronics, lighting, energy and other markets. These products include: aluminum electrolytic, metalized film, power film, supercapacitors (ultra capacitors) and other types.

Illinois Capacitor/Cornell Dubilier is a leading brand of aluminum electrolytic, polymer, metalized film and power film capacitors for electronics, along with super capacitors (EDLC or ultra...

It was announced today that Illinois Capacitor Inc., and its affiliates have been acquired by Cornell Dubilier Marketing, Inc. This acquisition brings together two of the leading manufacturers of capacitors for the electronics marketplace.

Chicago Condenser Corporation manufactures a wide range of high voltage capacitors from 100 volts to 100,000 volts for DC, AC, and pulse discharge applications. Applications include cardiac defibrillators, airport runway lighting, radio and TV transmitters, X-Ray, and scientific apparatus.

Capacitor Co Ltd is a leading manufacturer of capacitors, supplying high-quality products to a range of industries. Founded in 1990, the company has grown to become one of the most respected names in the industry, with a reputation for excellence and innovation.

Integrated Circuits, Electronic Components Supplier and Manufacturer - Diodes, Transistors, Resistors, Capacitors, IC chips. Shenzhen Chicago Technology Co.Ltd . are a B2B integrated ...

Model : Capacitor Contactors Auxiliary Contact : 1 NO Coil Voltage : 110-240V AC Frequency : 50 Hz
KVAR Rating : 12.5 kVAR, 25 kVAR, 33 kVAR, 50 kVAR, 60 kVAR, 80 kVAR, 100 kVAR

Chicago Capacitor Co Ltd

CDE / Illinois Capacitor is a leading manufacturer of miniature capacitors for electronics, lighting, energy and other markets. These products include: aluminum electrolytic, metalized film, power film, supercapacitors (ultra capacitors) and ...

Address: No.18,Tonfuyu Industrial Area,Fukeng,Guanlan Street,Baoan District,Shenzhen City,Guangdong Province,China TEL: 0755-28089766 0755-28089799

Capacitor Industries distributes aluminum electrolytic, motor run, high voltage capacitors and more with a large inventory and competitively low pricing.
