

China Capacitor Enterprise Network

Which popular capacitor distributor in China near me?

You have come to the right place. Rantle East Electronic is a leading capacitor supplier in China. Since 2003, ICRFQ-Rantle East Electronic is a full service independent wholesale distributor of electronic components.

Who is Nantong Jianghai capacitor?

Keep reading! Nantong Jianghai Capacitor Co.,Ltd. is a high-tech enterprise engaged in the research, development, production and sales of capacitors and their materials and instruments.

What is Jianghai brand capacitor?

Jianghai brand capacitor is one of the national brands with independent intellectual property rights and self-owned brands in China's electronic components industry, which has truly entered the international high-end mainstream market through its own channels. Xiamen Faratronic Co., Ltd. is a world-leading professional film capacitor manufacturer.

What is a capacitor & how does it work?

A capacitor is a device that stores electrical energy in an electric field. It is a passive electronic component with two terminals. Are you looking for the best Capacitor Manufacturers and Suppliers in China? Do you want to know where to buy capacitors locally in China? Which popular capacitor distributor in China near me?

What are the different types of capacitors?

Capacitors mainly include ceramic capacitors, aluminum electrolytic capacitors, tantalum capacitors, film capacitors, etc. How to find a reliable capacitor manufacturer is very vital to electronic projects. Here is a list of top 10 capacitor listed companies in China. Keep reading!

Is faratronic a film capacitor supplier?

Since 1955 it has been a key global supplier for manufacturing film capacitors. Faratronic's global supplier market is in industrial, PV, wind power, EV/HEV, Traction, smart grid, home appliances and lighting. Faratronic will act as the "film capacitor industry leader" and will drive the film capacitor brilliance into the next century.

Kesheng is a China Capacitors manufacturer. Our capacitors can be widely used in household appliances, motors, automobiles and other industries. If you have interested in our products, please feel free to contact us.

We have compiled the best capacitor companies and distributors in China list for you to pick as below: Rantle East Electronic is a leading capacitor supplier in China. Since 2003, ICRFQ-Rantle East Electronic is a full service independent wholesale distributor of ...

China's national high-tech enterprise, the production process implements ISO9001 quality management and ISO14001 environmental management system. Products ...

China Capacitor Enterprise Network

Company Introduction: Changzhou Huawei Electronics Co., Ltd. Was founded in 1987, as one of subsidiary companies Of Huawei Group. It is a high-tech enterprise specialized in design, research, manufacturing and Sales of a full range of ...

How to find a reliable capacitor manufacturer is very vital to electronic projects. Here is a list of top 10 capacitor listed companies in China. Keep reading! Nantong Jianghai Capacitor Co., Ltd. is a high-tech enterprise engaged in the research, development, production and sales of capacitors and their materials and instruments.

Being a nation-level High-Technology enterprise specialized in the R& D, manufacture and sales of capacitors in China, Nantong Sunion Electronics Co., Ltd. was established in 1995, and also long-term cooperates with "Southeast University" and "University of Electronic Science and technology of China". Both parties have made a number of ...

Huawei Electronics has entered the top 100 enterprise electronic components in China for consecutive years since 2003. The company has honored titles, such as "Changzhou Mayor Quality Award", "District Leader Quality Award" and ...

Being a nation-level High-Technology enterprise specialized in the R& D, manufacture and sales of capacitors in China, Nantong Sunion Electronics Co., Ltd. was established in 1995, and also ...

Yiyang Pengcheng Technology Development Co., Ltd, were founded in 1994. With a registered capital of 15 million RMB, Pengcheng is a modern high-tech enterprise that integrates the development, manufacture and marketing of Aluminium electrolytic capacitors. With an area of 30000 square meters and more than 300 staff members, the company ...

As a leading capacitor manufacturer, Din Electronic's main products include the X2 safety capacitor, energy storage capacitor, IGBT absorption capacitor, high voltage resonance, coupling capacitor, and ac filter capacitor. High-quality products are widely used in the electric power grid, smart metering industry, wireless charging, wind power ...

Changzhou Huawei Electronics Co., Ltd. was founded in 1987 is a high-tech enterprise specialized in solid capacitors, chip capacitors, capacitor principles, product design and research, manufacturing and sales of a full range of ...

China's national high-tech enterprise, the production process implements ISO9001 quality management and ISO14001 environmental management system. Products have obtained ENEC, UL, VDE and CQC certifications.

?????????(China Super Capacitors Industry

China Capacitor Enterprise Network

Alliance??(CSCI)??? ...

About FOLLON. Guangdong Follon Electronic Technology Co., Ltd. is located at No. 261, Fusheng Road, Dalang Town, Dongguan City, Guangdong Province, China, specializing in the research and development, manufacturing and sales of aluminum electrolytic capacitors; established in August 2021, the company has a floor area of 2,000 square meters, with more ...

Suzhou Power Capacitor Co.Ltd. Is a well-known enterprise in capacitor industry, It is one of the earliest allocated-factories of ministry of machine industry, specialized in manufacturing ...

As a leading capacitor manufacturer, Din Electronic"s main products include the X2 safety capacitor, energy storage capacitor, IGBT absorption capacitor, high voltage resonance, ...
