Why do you need a battery repair service?

Our Battery Repair Services offer clients an environmentally responsible and cost-effective solution to extend the life of their lithium-ion batteries. Using original parts in all our repair and refurbishment processes ensures that the batteries remain compliant with UN38.3 and CE-type approvals, maintaining safety and performance standards.

Why should you choose nowos battery repair services?

At NOWOS, our focus on sustainability extends beyond the design stage to the entire battery lifecycle. Our Battery Repair Services offer clients an environmentally responsible and cost-effective solution to extend the life of their lithium-ion batteries.

We offer lithium battery repairs, battery testing and end of life battery solutions for electric bikes, electric scooters and electric things. About NZ Batteries When the lithium battery for your electric bike, electric scooter or almost any electric thing won't charge or has a severely reduced battery performance it may not necessarily be the end of its useful life.
