

Electric Capacitor Co Ltd

Who is the largest manufacturer of electrolytic capacitors in China?

Today Jianghai is the largest manufacturer of Electrolytic Capacitors in China and is listed within the Top 10 manufacturers worldwide. Sales revenue reached over 100 Mil USD in 2006. Between the years of 1993 and 2003, Jianghai has won "Ten Years Championship" for its highest sales in Aluminium Electrolytic Capacitor industry in China.

Who is the best capacitor manufacturer in Taiwan?

Established in 1967, Yuhchang Electric Co., Ltd. has been the top-one capacitor manufacturer in Taiwan. Our power capacitors have got good reputation at home and abroad. To keep growth and improvement, we will base on the quality policy of "Best Quality, Delivery on Time, and Quick Service" to contribute our best to all our customers.

Who makes AC/DC capacitors in Taiwan?

DAR JIANN ELECTRIC CO., LTD. established in 1986 has had the experience to produce capacitors for more than 30 years and was the professional manufacturer of AC/DC capacitors in Taiwan. We have already awarded certifications of UL, CUL, TUV, CE and SGS.

Who is Jianghai capacitor?

Jianghai is devoting itself to develop the one-stop matching products for the above-mentioned application fields. Jianghai Introduction; Nantong Jianghai Capacitor Co., Ltd. is mainly engaged in the manufacture, sales and service of capacitors, related materials and accessories.

Who makes a capacitor?

We source from globally renowned manufacturers AVX, Murata, KEMET, Panasonic, TDK and many more, so that you can rely on performance. A capacitor is a device used to store energy as an electric charge, similar to a battery but they are able to release the charge much faster.

What is a super capacitor?

The super capacitor is a kind of energy storage device with high power, long life time, wide working temperature range and high reliability. Jianghai is devoting itself to develop the one-stop matching products for the above-mentioned application fields.

Suzhou Power Capacitor Co., Ltd. is a well-known enterprise in capacitor industry. It is one of the earliest allocated factories of the Ministry of Machine Industry, specialized in manufacturing capacitors. The company mainly manufactures high voltage shunt capacitor, high and low voltage compensation capacitor installations, high and low complete ...

Zhejiang Langxiang Industrial Co., Ltd. (Taizhou Tongli moto) a "t"; cr"; en 1995.

Electric Capacitor Co Ltd

C'est un fabricant professionnel et l'exportation qui est concerné; par la conception, développement et la production de la mobilité; électrique scooter, Tricycle électrique, electric scooter de livraison utilisés; pour la livraison de nourriture, les personnes âgées, les invalides et handicapés.

Zhejiang Geyue Electric Technology Co., Ltd., established in July 2011, is an enterprise specializing in the production, processing and sales of high and low voltage capacitors. We are one of the largest professional capacitor manufacturers in China. The company has a registered capital of 10 million yuan, with a standardized factory of more ...

Tai Yao Electric Co., Ltd. Founded in 1994, Specializes in manufacturing metallized polyester film capacitors, and has become a high-quality film capacitors supplier with advanced production technologies, automated production equipment, and stringent quality control systems in ...

Suzhou Power Capacitor Co.Ltd. Is a well-known enterprise in capacitor industry, It is one of the earliest allocated-factories of ministry of machine industry, specialized in manufacturing ...

JYH HSU Electronics Co., Ltd is specialized in manufacturing capacitor. Our parent company -JYH CHUNG electronics Ltd established on January, 1997 in Taiwan. So far we have had a dozen years manufacturing experience. Owing to abundant experiences, excellent manufacturing technique and good management as well as develop mainland market and easy ...

Tai Yao Electric Co., Ltd. Founded in 1994, Specializes in manufacturing metallized polyester film capacitors, and has become a high-quality film capacitors supplier with advanced production technologies, automated ...

With 20 years of experience, Thai Seika Electric specializes in manufacturing fan, air-conditioning, compressor and motor capacitors. We are committed to delivering the highest quality products to our customers.

NuinTEK Co., Ltd. - Korea supplier of Condensor, Capacitor, Hybrid car, Metallized Film

DAR JIANN ELECTRIC CO., LTD. established in 1986 has had the experience to product capacitors for more than 30 years and was the professional manufacturer of AC/DC capacitors in Taiwan. We has already awarded certifiations of UL, ...

Today Jianghai is the largest manufacturer of Electrolytic Capacitors in China and is listed within the Top 10 manufacturers worldwide. Sales revenue reached over 100 Mil USD in 2006. ...

Seika Electric Co., Ltd. is superior Passive Components Manufacturer in Taiwan, supplying Protective Capacitor, Power Capacitor and Electronic Terminal with superior quality. We offer Capacitor for AC Motor and Electric Fan use; superior quality is guaranteed. If you are searching for high quality Power Capacitor and

Electric Capacitor Co Ltd

Protection Capacitor Manufacturer, please do not ...

Established in 1967, Yuhchang Electric Co., Ltd. has been the top-one capacitor manufacturer in Taiwan. Our power capacitors have got good reputation at home and abroad. To keep growth ...

After years of research and development, we have achieved a large-scale production of DC-link capacitors used in VSC-HVDC, and our products have been supplied in bulk for engineering ...

DAR JIANN ELECTRIC CO., LTD. established in 1986 has had the experience to product capacitors for more than 30 years and was the professional manufacturer of AC/DC capacitors in Taiwan. We has already awarded certifiations of UL, CUL, TUV, CE and SGS. We offer various specifications of MPP/ MPE/ MKP/ PPN/ PPS and electrolytic capacitors with ...

Professional manufacturer of organic film capacitors in western China. Sichuan Zhongxing Electronic Co., Ltd is established in 1997, located in Chengdu, China. The company has the capability to develop and produce various film ...
