Garden solar panels come in all sorts of shapes and sizes - from large ground-mounted systems, to small solar-powered garden installations. To give you a better idea of what might suit your setup, we've listed the different ...

Ongoing improvements to batteries have helped increasing numbers of gardeners to cut the cord--and the need for gasoline--for their string trimmers, edgers, lawn mowers and other gadgets. These days, in fact, you can even find heavy-duty equipment such as tillers, chainsaws and wood chippers powered with long-lasting rechargeable batteries.

Get to know solenergie, the most reliable Solar Flood light and Energy Equipment Supplier in Mauritius. Our company was founded in 2019 when our founder, Mr. Psa, noticed there was a gap between house hold needs and what suppliers were offering.
