

How much does a professional battery cost

How much does a car battery replacement cost?

In addition, if you have a mechanic install the battery for you instead of doing the work yourself, you'll pay around \$30 in labor. The table below shows a quick price comparison of car battery replacement cost estimates from reputable suppliers:

How much does a car battery installation cost?

If you want to pay to have a mechanic install the battery, that will usually cost you another \$30-\$99. That's because most mechanics have a basic minimum rate that they work for. However, some also offer to install your battery for free providing you buy the new one from them.

What affects the cost of a car battery?

The size and power of a car battery can also impact its cost. Larger batteries with higher cold cranking amps (CCA) and reserve capacity (RC) will typically cost more than smaller, less powerful batteries. The warranty offered by the manufacturer can also affect the cost of a car battery.

Can you sell a car battery?

Otherwise, you may be able to sell the old battery for a small amount of money to a junkyard or recycling location. The car battery replacement cost can be minimal or more expensive, depending on the type of vehicle you drive. You may also spend more to get a good brand, but that extra quality should equate to more hours of driving your vehicle.

Does Batteries Plus offer discounts?

Batteries Plus offers many discounts and coupons for car batteries throughout the year. Be sure to check our promotions page on our website to stay in the know of current promotions or sales. If you have some experience working on cars, you may be able to save money by installing the battery yourself.

Where can I get a new car battery?

If you visit a local Advance Auto, AutoZone or O'Reilly Auto Parts, you can get your new battery the same day. In some cases, you can also order online for store pick-up. If you don't feel like installing the battery yourself, let the team at the store handle it for free. That saves you the trip to dispose of the old battery.
