

# How to choose Vienna battery pack

How do I choose a battery pack?

Use the following checklist to ensure you end up with a battery pack that meets your needs. 1. Write down your total mAh needs and multiply that value by the percentage you want to extend your battery life (0.5 for 50%, 1.0 for 100%, 1.5 for 150% and so on).

What should I pack for Vienna?

Sunglasses: Definitely include sunglasses on a spring, autumn, or summer packing list for Vienna. Water bottle: The tap water in Vienna is safe to drink, so bring your own water bottle to refill to save money and be kind to the environment. Get a collapsible one like this that will take up less space in your bag.

Is it easy to pack for Vienna in May?

Vienna, Austria is a gorgeous city, and we most recently visited in May. The weather can go up or down in the spring, so your Vienna packing list should prepare you for different possibilities. But it's still easy to pack for Vienna with only carry on bags.

How much does a battery pack weigh?

However, all of this takes time and hence please use this as a first approximation. The battery pack mass is roughly 1.6x the cell mass, based on benchmarking data from >160 packs. However, there are a number of estimation options and always the fallback will be to list and weigh all of the components.

What do you need for a trip to Vienna?

Remember you only need one even for two or three evenings. Light waterproof jacket: Spring and autumn can be rainy, and even in the summer, it's good to have a jacket in case it rains. In winter in Vienna, you'll need a warm coat that can get wet in rain or snow. Underwear: Pack one pair of underwear and one pair of socks for each day of your trip.
