

Jerusalem Mechanical Photocell Custom Price

Where can I find a photoelectric cell?

Prices are indicative only and may vary by country, with changes to the cost of raw materials and exchange rates. Find your photoelectric cell easily amongst the 16 products from the leading brands (REER, BFT Automation, ...) on DirectIndustry, the industry specialist for your professional purchases.

What is an explosion proof photocell?

The explosion proof photocell provides automatic control of the marine lights, aeronautical obstruction lights, helideck lights at dawn and dusk, when used in conjunction with the Navaid's Central Control Panel (NCCP). 1. Reliable Marine external photocell 2. Low cost of ownership 3. Certified for Zone 1 and Zone 2 areas with gas explosion hazard 4.

What is a part-night photocell?

Our range of part-night photocells is available in miniature (20mm hole) and NEMA connection types. The microcontroller used in Lucy Zodian's part-night photocells measures the time elapsed between selected symmetrical light levels in the evening and morning, for accurate switching. This makes the range energy efficient, for optimum cost-savings.

What are the features of photocell for hermetic doors?

Photocell for hermetic doors 1) Features of Photocell for hermetic doors: a) Easy installation and debugging b) Can work harmoniously with other sensors to ensure safety maximally c) Infrared detection, strong anti-interference ability d) Low ...

What types of photocells are available?

With a portfolio of one and two-part, miniature, Zhaga and special photocells, as well as full and part-night versions, our quality range ensures high switching accuracy for a number of applications.

What is a Zhaga photocell?

Lucy Zodian's Zhaga photocells consider the latest technical developments in LED streetlights. Compact, simple to install and upgrade, Zhaga photocells work with approved components for improved efficiency, universal interoperability and are futureproof for smart city requirements.

Average export price for PHOTOCELL under Sub Chapter 8479 was \$34.12. Please use filters at the bottom of the page to view and select unit type. You may also use the analysis page to view month wise price information. There are 446 exporters of PHOTOCELL. This information is ...
