Lima Battery Technology Exhibition

When is Lima 2025?

The biennial exhibition for the maritime and aerospace sectors, serving the Asia Pacific region, stands out as a unique trade showcase and specialised event, unparalleled by any other worldwide. The 17th edition of LIMA 2025 will be held from 20 - 24 May 2025, in Langkawi Island. Don't Miss Out - Secure Your Booking Today!

What is battery show Asia?

Meet battery manufacturers, suppliers, engineers, thought leaders and decision-makers in a 3-day exhibition. The Battery Show Asia, combined with the Mobility Tech Asia, brings together industry professionals and 350+leading suppliers for a one-of-a-kind event where relationships are strengthened, and new partnerships are forged.

Why should you attend the 2024 Battery Expo?

With over 800 exhibitors and an expected 35,000 visitors, the 2024 edition spans 60,000 square meters, covering cutting-edge innovations in battery materials, lithium battery production, and testing technologies. High-level forums will also be held, fostering industry collaboration and driving the future of the battery supply chain.

Which countries are exhibiting at the battery show?

China, Japan, and South Koreahost 80% of the world's leading battery cell, material, and component suppliers such as CATL, BYD, and LG. Exhibitors demonstrations that offer a close examination of new and improved solutions for popular applications. The Battery Show global events exhibitors included:

What's happening at Asia's advanced battery power conference?

Meet thought leaders shaping the future at Asia's advanced battery power conference. In 2024, The Battery Show Conference covered critical and up-to-date topics over four tracks such as: The hub for free education on the expo floor, with 20+ panel discussions and live demos.

What is the battery show conference 2024?

In 2024, The Battery Show Conference covered critical and up-to-date topics over four tracks such as: The hub for free education on the expo floor, with 20+ panel discussions and live demos. Why Hong Kong?

International defense technology exhibition. Expo China 2025 is a unique multi-sector fair in Lima, Peru, showcasing innovative Chinese companies and their products. It aims to enhance business connections
