

# Manufacturers price list for old batteries

How much do old batteries cost?

The more you have, the more they will pay you. Generally, the scrap price for old batteries is often \$0.22 per pound. This price is subject to change depending on the type of battery and market conditions. Some scrap yards might give you even more money if your old batteries contain valuable metals.

How much does a car battery cost?

It is possible to get around \$3 to \$10 for the battery. Sell the battery to a scrap yard. Metal recyclers or scrap yards do not only buy scrap metals from vehicles and other metals. They also buy bad car batteries. A battery's lead content sells for about \$0.22 per pound.

How much is a scrap Battery Worth in the UK?

Scrap batteries are worth around E300 to E600 per ton in the UK. However, a used battery can be sold for E3 to E10. Usually, if you have a scrap battery, the component can be sent for recycling through collection containers. The scrap battery containers are found at most retail shops and public buildings in the UK.

Where can I Sell my old car battery?

You can sell your old car battery anywhere, whether in the United States or the UK. If you're in Canada, you may have to find out your car battery scrap price in Canada. Most people leverage eBay and Gumtree to dispose of their scrap car batteries for a few bucks.

Are old car batteries worth anything?

Of course, old vehicle batteries are worth something! They are not just useless entirely, even though the battery can no longer power your vehicle. For example, you can sell your car battery for around \$5 to \$8. Meanwhile, truck owners can earn up to \$10 to \$12 on the truck's used battery. Nothing is completely useless in the world today.

Do recyclers pay for used batteries?

Most recyclers and scrap yards will pay for your scrap batteries per a pound. It is quite rare that the price is offered per an individual battery. This is especially good news for businesses. As a business owner you can arrange truckloads of used batteries to be collected by recyclers.
