

# New Energy Aluminum Battery Exhibition Schedule

How many people are attending a power battery exhibition?

Exhibiting brands: estimated 1,000+ Professional visitors: expected to exceed 50,000+ Exhibition introduction: The technical development of power batteries, the fundamental energy storage and conversion devices and core components of new energy vehicles, is the key driver for the global automobile industry to turn electric.

Why are battery exhibition & Energy Exhibition important?

Battery exhibition and energy exhibition are important for staying up-to-date on the latest technology and trends, building relationships, and gaining knowledge and insights that can help your businesses succeed. Of the customer; For the customer; By the customer. Exported to more than 80 countries and areas with good reputations.

What is a battery industry event?

Covering the entire industry chain, the event features a wide range of sectors, including battery materials, manufacturing equipment and testing instruments, various types of battery products, energy storage systems, charging and discharging infrastructure, energy storage solutions, as well as recycling and reuse technologies

2. Exhibition Scope 3.

What is Shanghai International Energy storage lithium battery & power battery Conference & Exhibition 2024?

The 12th Shanghai International Energy Storage Lithium Battery and Power Battery Conference and Exhibition 2024 Basic information of the exhibition: Exhibition dates: August 2-4, 2024 Exhibition area: estimated 70,000 sq.m Exhibiting brands: estimated 1,000+ Professional visitors: expected to exceed 50,000+ Exhibition introduction:

Why should you visit NPP in battery exhibition or energy exhibition?

Why you should come to visit NPP in Battery Exhibition or Energy Exhibition? Showcasing new technologies: Solar Exhibition is a great place to showcase the latest advancements in NPP Lithium battery and energy technology. This allows you to see what's new and exciting.

What is a power battery Festival?

It's an annual feast covering the whole industrial chain of power batteries, including power batteries, cells, PACK, cathode and anode material electrode materials, electrolytes, separators, related battery manufacturing equipment and battery testing.

As one of the theme exhibitions of NEAS 2024 GBA, with a new concept for the vast number of Chinese and foreign exhibitors to provide a "high standard, high taste, high quality" new ...

# New Energy Aluminum Battery Exhibition Schedule

As an important part of the battery pack, the design, material selection and manufacturing process of the new energy battery tray have attracted tremendous attention from the industry chain! According to aluminium profile exhibition, the increase of production scale of new energy automobile industry is an inevitable trend, and its production line must achieve automation, ...

The 10th World Battery & Energy Storage Industry Expo (WBE) Date: August 8th-10th, 2025. Venue: Area A of China Import and Export Fair Complex, Guangzhou, China. Hosts: ...

The CLNB 2025 (10th) China International New Energy Industry Expo, hosted by Shanghai Metals Market (SMM), will be held at the Suzhou International Expo Center from April 16th to ...

The 2024 China (Beijing) International New Energy Battery and Technology Equipment Exhibition is part of the 13th Beijing International Automobile Manufacturing Expo and will continue to be ...

As the flagship event of the new energy vehicle lithium battery industry, the 12th BTF Shanghai International New Energy Lithium Battery Technology Exhibition will be held again at the Shanghai New International Expo Center. At that time, the exhibition will open 4 exhibition halls in Shanghai New International Expo Center, with an exhibition area of 46,000 square ...

From 2024, ENTECH HANOI will be organized with thematic exhibitions including Vietnam International Battery and Energy Storage Technology Exhibition 2023 (Battery Expo); Vietnam International Electrical Equipment and Renewable Energy Technology Exhibition (VIEExpo 2024). The organizers believe that, with the participation of co-organizers, ENTECH HANOI will ...

The CLNB 2025 (10th) China International New Energy Industry Expo, hosted by Shanghai Metals Market (SMM), will be held at the Suzhou International Expo Center from April 16th to 18th, 2025. This prestigious event encompasses a comprehensive range of hot topics, including raw materials, batteries, energy storage systems, new energy vehicles ...

It covers six major industries: new energy, new energy vehicle, new material, high end equipment manufacturing, energy conservation and environmental protection and information technology. With the development of energy Internet and mobile energy, mobile energy will change the way of world energy production and consumption, and trigger a new ...

Showcasing new technologies: Solar Exhibition is a great place to showcase the latest advancements in NPP Lithium battery and energy technology. This allows you to see what's new and exciting. Networking: Energy Exhibition allow professionals in the battery and energy industries to connect with each other and build relationships.

The 2024 China (Beijing) International New Energy Battery and Technology Equipment Exhibition is part of

# New Energy Aluminum Battery Exhibition Schedule

the 13th Beijing International Automobile Manufacturing Expo and will continue to be held in July 2024 at the China International Exhibition Center (Shunyi Hall). The exhibition area is expected to reach 30000 square meters, with over 350 ...

The 10th World Battery & Energy Storage Industry Expo (WBE) Date: August 8th-10th, 2025. Venue: Area A of China Import and Export Fair Complex, Guangzhou, China. Hosts: Guangdong Energy Storage Industry Association, Guangdong Battery Industry Association. Organizers: Guangzhou Honest Exhibition Co., Ltd. Exhibition Space: 165,000 sq.m (13 ...

Trade fair for batteries and energy storage systems. 12. - 14. February 2025. Exhibition for electromobility and charging solutions. 12. - 14. February 2025. Energy trade fair and ...

Trade fair for batteries and energy storage systems. 12. - 14. February 2025. Exhibition for electromobility and charging solutions. 12. - 14. February 2025. Energy trade fair and conference for the new world of energy. 19. - 21. February 2025. International trade fair for rechargeable batteries. 19. - 21. February 2025.
