

New energy battery tester

Who is neware battery tester?

Make Battery Test Simple and Cost-Effective! Neware is one of the best Battery Tester Manufacturer/Supplier worldwide. Neware was established in 1998 and has 24 years focused experience in battery testing system field. Get Contact and support from us 24*7, quick email to: support@newarebatterytester.cn

How to contact neware battery tester?

Get Contact and support from us 24*7, quick email to: support@newarebatterytester.cn. Neware is able to customize Testers on specific requirement. 24 Years in Battery Test field, with multiple experience in innovation, machine delivery and after-sales services. Neware Testers are approved by global battery researchers, manufacturers, engineers, etc.

What is a neware tester?

The compact, powerful Neware testers are available to expand. Neware testers widely used by battery manufacturers, lab researchers, company engineers, battery technology, battery applications. Voltage & Current value. Different curve can be set (Like capacity/ cycle life). Various testing data can be recorded by it.

How many FS can a neware battery tester test?

Thousands of battery researchers have used the Neware battery tester since we Neware established in 1998. And more and more tests have been tested via Neware battery tester. Up to 0.02%FS; Multi range can be reached 0.05%FS. Four/Triple/Dual Range Supported. Available to be customized to meet the specific customer's requirements.

What types of battery testers can be customized based on voltage & current requirements?

*Other models can be customized according to voltage and current requirements. NEWARE 8008-5V200A battery tester for battery test, Electric vehicle battery, super capacitor, flow battery performs DOD, SOC, HPPC, tests, and data storage for test data.

What is neware battery tester ct-8002q-5v100ma?

NEWARE battery tester CT-8002Q-5V100mA is suitable for testing button batteries and supercapacitors. 4 ranges from 0.2 uA to 100 mA, 2 channels. Including HPPC and GITT For Coin Cells, Super Capacitors, Three-Electrode Systems Testing and etc. *Other models can be customized according to voltage and current requirements.

Neware is one of the best Battery Tester Manufacturer/Supplier worldwide. Neware was ...

The SL1700A Series Scienlab Battery Test System Pack Level with the new silicon carbide technology is a highly efficient system based on state-of-the-art technology and allows to realistically emulate the environment of the future ...

New energy battery tester

Lithium Battery Edge Voltage Tester ... Programmable DC Electronic Load. YD8015A ? / ??
YD8030A/YD8060series ? ? New Energy Vehicle Electrical Safety Comprehensive Testing System
?YD9886X New Energy Vehicle Electrical Safety Comprehensive Testing System ? Multi-Channel Electrical
Automation Comprehensive Testing System ?YD2678A Multi-Channel Automated ...

NEWARE, a professional Battery Testing System(BTS) manufacturer, has been committed to providing reliable high-accuracy battery testing equipments, environmental chambers, automated production lines, and relevant solutions to customers worldwide.

NEWARE, a professional Battery Testing System(BTS) manufacturer, has been committed to ...

Neware is worldwide leading of battery tester manufacturer, specialized in testing secondary ...
