

Paraguay lithium battery warranty

What is a lithium battery warranty service?

Class 3 (types A and B) and Class 4 power grids are harsh power grid environments. The warranty service is the product assurance service provided within the product warranty scope to resolve lithium battery quality issues. The service includes help desk, remote troubleshooting, and lithium battery spare parts replacement.

What happens if a lithium battery fails during the warranty period?

Faulty parts replacement: During the warranty period, if an individual failure is caused by the lithium battery quality problem of Party B, Party B is responsible for delivering qualified parts to the receiving place agreed by both parties within the committed service level agreement (SLA).

Is lithium mining tax-free in Paraguay?

Profits repatriation from lithium mining is tax-free, and a 10% tax credit is available for exports. Additionally, Paraguay's extensive waterways, notably the Paraguay and Paraná rivers, facilitate crucial access to major ports, enhancing global connectivity.

How long does a lithium battery last?

The standard warranty period of lithium batteries is one year. If extended warranty is required, consult the SSD and evaluate the maximum service life of lithium batteries based on the battery model and application environment. Extended warranty can be provided within the service life and needs to be quoted.

Is Paraguay a good place to mine lithium?

The Chaco Basin demonstrates many of the same characteristics as South America's premier lithium brine producing regions, though it is historically under-explored for critical metals. Paraguay offers advantageous geopolitical, financial, tax, and security conditions for mining compared to its neighbors, Chile, Argentina, and Bolivia.

What is Chaco minerals doing in Paraguay?

The Company is actively exploring a ~2.0M ha provincial-scale land package of the most highly-prospective areas for lithium brines in Paraguay's Chaco Basin. Chaco Minerals is pursuing sustainable exploration and business practices in line with leading industry ESG standards.
