

Precision Capacitor Co Ltd violates regulations

stability of supply. Capacitors are produced according to varying technical characteristics. However, capacitors complying with those different technical characteristics produced by ...

Brussels, 21 March 2018 - The European Commission slapped eight producers of electrolytic capacitors with a combined EUR254 million fine for their roles in a 14-year cartel. The European Commission has fined Elna, Hitachi Chemical, Holy Stone, Matsuo, NEC Tokin, Nichicon, Nippon Chemi-Con, Rubycon EUR 253 935 000.

This conduct was sufficient to affect the market function with respect to supply and demand of capacitors in Taiwan, and was in violation of Paragraph 1, Article 14 of the Fair ...

Sang Jing Electronics Co., Ltd. Sang Jing Electronics (SJE), established in 1984, has rapidly grown to become one of the leading electrolytic and tantalum capacitor manufacturers in Taiwan. SJE has built a reputation for consistently high quality products, fast and efficient service, as well as a continuously innovative R& D team. Working together with our valued customers, SJE ...

EU antitrust regulators handed down a 254-million-euro (£221.78 million) fine to eight capacitor producers on Wednesday for taking part in a cartel for more than a decade.

Capacitor Meter > High Precision Capacitance Meter. Features. 1) The larger measurement range, a wide range of measuring 0.01 PF to 470mf ; 2) 128 x64 dot matrix LCD display, can display five digits; 3) Fast measurement speed, high accuracy can reach 1%, read 2200 uf need only 0.2 seconds; 4) Reading more stable (automatic moving average function, can be more ...

The Decision relates to a single and continuous infringement of Article 101 of the Treaty on the Functioning of the European Union and Article 53 of the EEA Agreement concerning ...

Weiqing capacitor manufacturer specializes in the research and development, production of thin film capacitors, safety capacitors, and resonant capacitors . Home. About Us. Company Profile. Leader's Message. Production base. ...

Precision Capacitors High Temperature Capacitors for 125? High Current Capacitors High Frequency Capacitors Axial Type Capacitors Sunbber Capacitors All Types of Miniature Capacitors(p=5, 7.5) Interference Suppression Capacitors(X2, Y2) International Safety Approval Capacitors. We studies 30 years only film capacitors. View as : (1 - 4 out of 4) Sample 1. ...

Precision Capacitor Co Ltd violates regulations

Capacitor Technical Center established in Xi'an; Gained first HVDC project DC yard capacitor order, to supply DC filter capacitor and other DC yard capacitors to 800kV Jinping - Sunan UHVDC project; 2008. Provided shunt capacitors to improve power quality for Shanghai Expo.

Case AT.40136 -- Capacitors (2018/C 446/06) Introduction (1) The draft decision finds . a c. cartel in the market for electrolytic capacitors, involving fifteen legal entities (together, "the ...

The Decision relates to a single and continuous infringement of Article 101 of the Treaty on the Functioning of the European Union and Article 53 of the EEA Agreement concerning electrolytic capacitors: aluminium electrolytic capacitors ("AECs") and tantalum electrolytic capacitors ("TECs"). The infringement lasted from 26 June 1998 to ...

The European Commission has fined eight Japanese companies for violation of the ban on cartels. The cartel was engaged in the supply of capacitors for e.g. the European market. European Commission decision of 21 March 2018 In the spring of 2014, Sanyo Electric Co., Ltd and its parent company (...)

Case AT.40136 -- Capacitors (2018/C 446/06) Introduction (1) The draft decision finds . a c. cartel in the market for electrolytic capacitors, involving fifteen legal entities (together, "the addressees of the decision"), belonging to nine undertakings: -- Elna Co., Ltd ("Elna"), --

There were no tantalum capacitor local makers and all tantalum capacitors had to be imported. Estimates showed that the sales aluminum capacitors made during the violation period totaled ...

Brussels, 21 March 2018 - The European Commission slapped eight producers of electrolytic capacitors with a combined EUR254 million fine for their roles in a 14-year cartel. The European ...
