

Registration for the South Senegal International Energy Storage Exhibition

Who sponsors solar and storage live Africa?

The event is supported by Official Partners, The South African Photovoltaic Industry Association (SAPVIA) and Eskom. Solar and Storage Live Africa co-located with The Future Energy Show Africa will take place at the Gallagher Convention Centre, Johannesburg on 18-20 March 2024. For more information visit:

Why is Senegal a good place to invest in energy?

Significant energy investments are planned in the country in recent years so that the energy access problem does not harm the development momentum of economic activities. Senegal's strategic location as a competitive gateway, underpinned by Free Trade Area with the other ECOWAS countries, makes it an ideal venue for the staging of the SENENERGY.

What is Hage International Fair & senenergy exhibition?

HAGE International Fair, which has been organizing Senegal's largest construction fair for years, which creates a positive environment for business people, will bring local energy companies together to West Africa in SENENERGY Exhibition.

What is solar & storage live Africa?

Taking place at Gallagher Convention Centre in Johannesburg, Solar & Storage Live Africa co-located with The Future Energy Show Africa will unite the solar and energy industry, to accelerate Africa's sustainable energy future.

What is SNEC es+ & H2+ Expo?

Bring Your SNEC Passport to the "SNEC ES+ & H2+ Expo"! Stamp Collection Activity
An international event with international perspectives, professional standards, and large-scale participation in the energy storage industry. Prof. Tianwei Tan Academician of Chinese Academy of Sciences, Chairman of the China Renewable Energy Society Prof. Yi Cui

How much does SNEC Expo cost?
