Slovakia is following the trend by making progress in development and production of electric car batteries. After launching of a new smart battery for electric cars by InoBat Auto, the National Battery Centre was established.

Membership in the Slovak Battery Alliance is open to any entity which contributes towards the goals of the alliance and respects its member obligations as set out in the Statutes of the alliance. If you are interested in becoming a member write to [sbaa@sbaa.sk](mailto:sbaa@sbaa.sk) .

The space required to open an Amaron battery franchise also depends on how many products you are willing to deal with. For 50-100 batteries, the minimum space required will be between 300-500 square feet. On the other hand, if you are dealing with 400-500 EV batteries, then the minimum space required for that space would be between 750-1000 square feet of area. Make ...
