

Tender for water storage construction project

How to prepare tender documents for construction projects?

According to PROJECT MANAGEMENT PROCESS for MAJOR CAPITAL PROJECTS, the Project Manager, the Project Sponsor, the Design Team, and the Cost Consultants should reach an early agreement on the content of the tender document package and the tender return package. The tender documents should clearly detail what is required of the tenderers.

What is construction tenders?

Luckily for you, we have a solution. Construction Tenders is one centralised and easy-to-navigate portal hosting exclusive, public and private construction leads and tendering opportunities. Gone are the days of relying on inaccurate CPV Codes! Our Opportunity Trackers manually search and upload tenders from thousands of websites across the UK.

How should tenderers manage the construction process?

To manage the construction process as per the PROJECT MANAGEMENT PROCESS for MAJOR CAPITAL PROJECTS, tenderers should be required to implement appropriate programme management techniques. An agreed Commissioning Programme should be identified as a key deliverable for the Contractor to ensure that this process is properly planned, controlled and implemented.

What are the different types of tenders?

These tenders can consist of Request for Information (RFI), Request for Quotation (RFQ), Request for Proposal (RFP), Expression of Interest (EOI) or Request for Tender (RFT) listings.
