

Turkish lithium battery manufacturer

Where does Mutlu battery meet customers?

With a broad product range in the automotive and industrial groups, Mutlu Battery meets customers at its sales points across Turkey. As one of the largest battery manufacturers in Turkey, the Middle East and Eastern Europe, Mutlu Battery continues to represent Turkey in the best way possible in over 80 countries on six continents in global markets.

Where are Mutlu Batteries made?

The majority of the vehicles manufactured in Turkey use Mutlu Battery products as their original battery. Batteries manufactured at the plants of Mutlu Battery, which has an annual manufacturing capacity of six million units, are exported to more than 80 countries on six continents.

Who is Mutlu battery?

As one of the largest battery manufacturers in Turkey, the Middle East and Eastern Europe, Mutlu Battery continues to represent Turkey in the best way possible in over 80 countries on six continents in global markets. Operating as part of Mutlu Holding Anonim Sirketi, Mutlu Battery is the very first company of the Group.

What makes Mutlu a good battery manufacturer?

With ubiquitous distribution, excellent after sales service, wide range of product segmentation and state-of-the-art manufacturing technologies Mutlu is recognized as the leading battery producer not just in Turkey but also in the Middle East and Eastern Europe.

Who is Yigit battery?

Yigit Battery Co. was established in 1976 in Ankara /TURKIYE as one of the strongest investments of our rapidly developing country. Today, Yigit Battery Co. has become an international brand, occupying a total area of 40.000 m², having more than 4000 retailers and service network in TURKIYE, exporting to more than 70 countries.

How many batteries does Mutlu battery produce a year?

Mutlu Battery today has a production capacity of six million batteries per year, and it continues its operations in a place established on a land of 23 hectares, which is enhanced to world standards through the technology investments it made.

Izmir-based Turkish technology start-up, NiCAT Battery Technologies, will start nickel base cathode production for the manufacture of efficient lithium-ion batteries in Turkey for both domestic ...

ASPILSAN Enerji Lithium Ion Battery Production Facility, which has a closed area of 25 ...

Turkish lithium battery manufacturer

Product types: portable computer batteries, lithium ion batteries, nickel cadmium batteries, nickel metal hydride batteries, rechargeable batteries. Address: ANAFARTALAR CAD. NO:49/3, ANKARA, ULUS TURKEY 06250

With a broad product range in the automotive and industrial groups, Mutlu Battery meets ...

ASTERION batteries are high quality products, made of industry-leading lead-acid and Li-ion technologies. ASTERION product portfolio includes solutions for various applications: uninterruptible power supplies, communication systems, security and fire systems, medical equipment, cleaning equipment and others.

ASPILSAN Enerji Lithium Ion Battery Production Facility, which has a closed area of 25 thousand square meters in Kayseri Mimarsinan Organized Industrial Zone, started mass production. We are at your service with our R& D, design, production and ...

Product types: portable computer batteries, lithium ion batteries, nickel cadmium batteries, ...

Batteries for light electric vehicles (cars, SUVs, LCVs, and pickup trucks) had a faster production growth rate (+40%) than EVs (+35%) in 2023, as the market had several models introduced with ...

Lithium Battery System Turkey, Turkish Lithium Battery System Supplier Companies in Turkey - Turkish Lithium Battery System Manufacturers and Companies List

Bulbul Battery Inc. is a battery manufacturer from Antalya, Turkey which produces batteries in Turkish and European standards and exports to 17 countries worldwide. 444 5828 Ana Sayfa (Bülbül Akü) Türkçe; English; P?????; HOME (current) BRANDS .
