## What is the price of direct sales gel batteries

Here you can find a big selection of low priced GEL solar batteries from all the top brands including MK Battery, Deka Solar, Hawker, Trojan, Rolls, Xantrex and Concorde. What is the difference between AGM and Gel batteries?

AGM batteries are better replacements for FLOODED batteries than GEL batteries when used in alternator-equipped applications. GEL batteries require lower (precisely controlled) charging voltages (mainly lower finishing voltages) than AGM or Flooded types. AGM battery charge voltages are more similar to Flooded charge voltages (14.4V - 14.7V) than GEL charge ...
