Hi, I'm wondering if it's even possible to get an original iPhone battery or are they all aftermarket. If that's the case, I'm interested in which... If that's the case, I'm interested in which... Skip to main content

I've bought multiple replacement batteries for various ThinkPads (T440s, T450s, R400, T61p, T430) and a MacBook Pro (mid 2012). Some are genuine and some are aftermarket. Granted, the genuine batteries haven't held up as well given that they're at least 7 to 10 years old, while the aftermarket ones do give read outs for cycles and over all ...

Hi, I need a replacement battery (ref 922976-855 - 12 PIN) but I cannot find a bona-fide supplier. I live in France and have tried HP recommended resellers but they either do not stock, or have just ignored my email. Can anyone please recommend a company that will supply a retail customer a genuine HP battery in the UK, or Europe. many thanks.
